HONOLULU RAIL TRANSIT PROJECT CELEBRATE EARTH DAY

HART's Earth Day team celebrate Earth Day by planting Ti at our Rail Operations Center.

In honor of Earth Day, the Honolulu Authority for Rapid Transportation (HART) Earth Day team planted a few Ti plants at its Rail Operations Center (ROC) in Waipahu.

In addition to Earth Day festivities, the Honolulu Rail Transit Project has some sustainable elements. Here are a few fun facts:

- Operations & Services Building at the Rail Operations Center is designed to be 16.6% energy efficient.

- The Rail Operations Center is designed to meet LEED Silver Certification by the U.S. Green Building Council.
- Train Wash Facility at the Rail Operations Center will use recycled water.

HAWAII FOODBANK CAMPAIGN

The HART Ohana collected more than 420 lbs. of food for the Hawaii Foodbank in addition to raising monetary donations. HART held an in-house collection drive, coin war, white elephant, bake sale and many other fundraisers throughout the two month campaign.

**FARRINGTON HIGHWAY
CONSTRUCTION WORK NOTICE
Hawaiian Electric Utilities Work Schedule
Monday, April 25 through Friday, April 29, 2016**

Hawaiian Electric Company crews will be performing utility work along Farrington Highway in Waipahu between Leokane Street and Kunia Road. The utility work will take place from Monday, April 25 through Friday, April 29, 2016 between 8:00 a.m. and 2:30 p.m.

All westbound lanes between Leokane and Leoku Streets will be closed. Traffic will be detoured through Waipahu Street. Special duty police officers will be onsite to help direct traffic flow on Farrington Highway near the work area.

There will be no customer outages associated with this work.
