## HONOLULU RAIL TRANSIT PROJECT FACTS AND FIGURES

Honolulu Rail Transit Project route map from East Kapolei to Ala Moana Center.

The Honolulu Rail Transit project is continuing its progress with nearly seven miles of guideway complete and track work underway.

Here are some facts about our 20-mile rail system:

- 21 stations located at key destinations, including Aloha Stadium, Pearl Harbor, Honolulu International Airport, Aloha Tower, UH West Oahu, Leeward Community College and Honolulu Community College
- Rail will be fully integrated with the city bus system, with a system-wide fare program that allows the same pass to be used for both rail and the bus
- Modern steel-wheel-on-steel-rail technology is powered by a third rail
- Average speed of the train (including time stopped at stations) will be 30 mph; top speed is 55 mph
- A four-car train has an 800 passenger capacity and will allow bicycles, surfboards,

wheel chairs, strollers, coolers and luggage

- Closed circuit security cameras and call boxes will be installed on board all train vehicles in the event of an emergency
- Fully compliant with the American Disabilities Act of 1990 (ADA)
- Free Wi-Fi available
