ADDENDUM NO. 1

TO THE

REQUEST FOR PROPOSALS

FOR THE

HONOLULU RAIL TRANSIT PROJECT  
COMPLEX CONSTRUCTION CLAIMS NEGOTIATION AND LITIGATION SERVICES  
REQUEST FOR PROPOSALS NO. RFP-HRT-976504

ISSUED: May 16, 2016

NOTICE TO OFFERORS:

This Addendum is hereby made a part of the above-referenced Request for Proposals No. RFP-HRT-976504 (RFP), and it shall amend the said RFP in the following respects:

**Questions and Responses**

The following questions were timely received in the Transit Mailbox. The responses provided by the Honolulu Authority for Rapid Transportation (HART) are as follows and are made a part of the RFP:

Question #1

There are 3 positions listed on Exhibit 22 Price Proposal. May we add additional positions to this form or do our key staff need to fit into one of these 3 positions?

**Response #1**

**No, this form should not be altered. You may, however, propose additional positions for HART's consideration.**

Question #2

Is there a form that HART requires to be completed by the Offeror to demonstrate Offeror's designated point of contract to sign documents on behalf of the Offeror's organization?

**Response #2**

**Please see Section 6.2 of the Instruction to Offerors.**

Question #3

Section 4.19 Conflict of Interest and Non-Disclosure requests that the Offeror include, in Exhibit 11, a list of clients with current and future potential conflict of interest with HART. In order to respond, it is requested that HART provide a list of all entities who currently hold

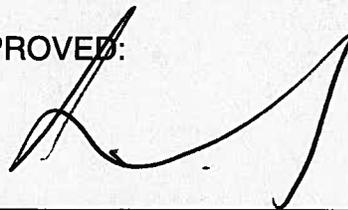

contracts, both construction and professional services, for full and complete disclosure. Also, in order to identify future potential conflicts, it is requested that HART identify future planned contract solicitations, again both construction and professional services.

**Response #3**

**Offerors are to disclose all known conflicts of interest or potential conflicts of interest at the time of proposal submission. Given that the scope of work contemplates construction claims, HART believes a list of current construction Contractors is relevant. See below a listing of HART’s current construction contracts. Should Offerors wish to see a more comprehensive list of HART’s Contractors, they may go to: <http://www.honolulu.gov/pur> under the link, “Honolulu Authority for Rapid Transit.”**
