Dear Mr. Sloane:

Contract No. CT-HRT-1600385
Solicitation No. RFP-HRT-858431

The Honolulu Authority for Rapid Transportation (HART) has awarded your firm the Airport Guideway and Stations Design-Build Contract, pursuant to solicitation RFP-HRT-858431, and is hereby exercising options PI.11.2 and PI.11.3, in the amounts set forth in the Best and Final Offer Proposal Price. Although the contract will be for the full amount of \$874,750,000, HART can only certify funding for \$820,000,000 at this time in accordance with City Council Ordinance 16-17. Pursuant to Hawaii Administrative Rules Section 3-122-102(c), the availability of funds in excess of \$820,000,000 shall be contingent upon future appropriation, which HART will be seeking from the HART Board and City Council shortly.

Attached please find the contract, CT-HRT-1600385, for execution. This contract must be executed by duly authorized officials with notarial acknowledgement of every signature appearing on the contract, if applicable. In case of a corporation, the titles of the persons signing must be stated, the corporate seal affixed thereto, and all signatures must be accompanied by a corporate resolution and/or power of attorney authorizing the persons signing to execute the contract. The contract must be returned by August 19, 2016 together with evidence of required project insurance coverages.

Please do not date the contract. HART will date the contract upon full execution. You will be notified when the contract has been fully executed by HART. Should you have any questions regarding this matter, please contact transitmailbox@honolulu.gov.
