LANES RESTORED ALONG KAMEHAMEHA HIGHWAY FROM PUU MOMI THROUGH ACACIA ROAD

The Honolulu Rail Transit Project continues to make progress through Pearl City and Aiea. As you drive on Kamehameha Highway, you will notice lanes being reopened in various areas. There are three lanes now available from Puu Momi Street through Acacia Road in the westbound direction.

However, construction crews are still doing work in the area and may need intermittent lane closures. For now, drivers taking Kamehameha Highway will experience a much smoother ride as lanes become restored.
