

CONTEST RULES

Theme: "Connecting Communities"

- The Honolulu Rail Transit Project will help connect kama'aina and visitors to the places they need to go with efficiency and reliability. The rail project has been designed to serve the majority of Oahu's urban neighborhoods, employment centers and college campuses. With so many stations, riding Honolulu's train can expand your opportunities to connect with family and friends: shop and dine, attend a big game or get to work while getting some exercise.
