Attention: Mr. Ted Matley

Dear Mr. Rogers:

Subject: Honolulu High-Capacity Transit Corridor Project

This is a follow-up to our December 8, 2010, letter that informed you that the contractor for the West Oahu/Farrington Highway (WOFH) Guideway Project, Kiewit Infrastructure West Company (KIWC), plans to pursue an existing casting yard to fabricate the pre-cast guideway elements.

The precast yard that has been determined to be used is GPRM Prestress, located at 91-063 Malakole Street, Kapolei, Hawaii. This approximately 20-acre site is in Campbell Industrial Park.

All contractors, in addition to KIWC, are to use this site to pre-cast the guideway elements.

Should you have any questions regarding this matter, please contact Mr. Toru Hamayasu at (808) 768-8344.

Very truly yours,

Wayne Y. Yoshioka
Acting Director
