

HONOLULU AUTHORITY FOR RAPID TRANSPORTATION

PRESENTS

HONOLULU TRAIN COMMUNITY DAY

SUNDAY, DECEMBER 17, 2017

10:00 a.m. to 4:00 p.m.

HART RAIL OPERATIONS CENTER

Parking and Waikiki Trolley shuttle transportation to event site from
Leeward Community College (96-045 Ala Ike Street, Pearl City)

Join the Honolulu Authority for Rapid Transportation for a public viewing of HART's high-tech, fully automated driverless train. It will be a fun-filled day for the entire family – including train tours, rail project information and more!

- Take a brief entry tour of HART's state-of-the-art Rail Operations Center aboard a fun-filled ride on the Waikiki Trolley.
- Step inside and tour the first high-tech driverless train in the United States.
- Learn about the rail project via giant informational displays, rail station models, simulated route and station videos, and more!
- Receive special offers from "Shop & Dine on the Line" participating stores, restaurants and services to support local businesses during rail construction.
