FYI -- Attached is the latest draft of the Annual Report. **DO NOT MAKE CHANGES TO THE VERSION SAVED TO THE O DRIVE.**

Several projects need the following sentence completed (fill in the blanks) - "The project is expected to serve [redacted] average weekday boardings in [redacted]." Keep in mind this information should match what will eventually be put in the project profile. If you need help finding the information, please ask Robyn.

The list of projects for which this information is needed includes:

- San Francisco Central Subway
- VTA Berryessa
- Denver Eagle
- Hartford
- Orlando
- Honolulu
- Central Corridor
- Portland Milwaukie
- Houston North and SE
- Draper

Please provide the information via email to Susan, Sherry, and Robyn. They should be the only people making changes to the O:drive version of the report at this point.

Thanks,
Beth
