**Noise Impact:** *During potholing, vac truck, drilling and excavation work, expect increased noise levels from the unloading of materials and general machinery sounds. Shoulder and median work signage/cones along the side of the road will mark the work area. Motorists are advised to drive with caution and provide a safe distance between their vehicles, the construction workers and equipment.*

**Note:** *Due to overhead crane work, traffic may be stopped intermittently due to safety for commuters and pedestrians.*
