Nan, Inc., on behalf of the Honolulu Authority for Rapid Transportation (HART), announces its construction plans to area residents, businesses and motorists for its City Center Utilities Relocation work that will take place on Dillingham Boulevard between Middle Street to Ka‘aahi Street.

Estimated start of construction dates are as follows:
- **Work Area 1A**: Middle Street to Mokauea Street Starting March 2020*
- **Work Area 1B**: Mokauea Street to Kapālama Stream Starting April/May 2020*
- **Work Area 1C**: Kapālama Stream to Ka‘aahi Street Starting June/July 2020*

* These are estimated starting dates and are subject to change. HART will notify area residents and businesses of any changes.

- The work will entail the creation of a dedicated work zone in the roadway along Dillingham Boulevard with construction activities that will take place 24-hours a day from Monday through Saturday, including weekends, as needed.
- There will be one lane of vehicular access in each direction (eastbound and westbound) for motorists traveling along Dillingham Boulevard that will be in place 24-hours per day, 7 days per week.
- No left turns from Dillingham Boulevard will be allowed, except at the Alakawa Street intersection. Left turns from cross streets onto Dillingham Boulevard will be permitted.
- Access to all businesses and residential properties will be maintained throughout the duration of construction.
- Traffic Alert message boards will be strategically placed to notify motorists that businesses are open, but that they should expect delays due to construction.
- Motorists should drive safely through construction zones at posted speed limits and obey posted roadway signage. Special duty police officers will be used to ensure public safety and to keep traffic flowing.
- Pedestrians are advised to obey all sidewalk signage and to use crosswalks at major intersections.
- City bus service will be maintained. Some bus stops may be relocated to accommodate construction work. Please visit [www.TheBus.org](http://www.TheBus.org) or call (808) 848-5555 for updates.

For more information, call HART’s 24-Hour Project Hotline at (808) 566-2299 or email the project at info@HonoluluTransit.org. Weekly traffic updates are available by visiting the project website at [www.HonoluluTransit.org](http://www.HonoluluTransit.org).
