

# FARRINGTON HIGHWAY SINGLE LANE CLOSURES

EASTBOUND/WESTBOUND BETWEEN LEOKANE STREET AND LEOKU/LEO'OLE STREET

Monday-Friday (Some Weekends) 6am-3:30pm

Extension of work: Through September 2020

Hawaiian Dredging Construction Company, Inc. (HDCC) and the Honolulu Authority for Rapid Transportation (HART) will be closing single lanes of traffic on Farrington Highway, in both eastbound and westbound directions, between Leokane Street and Leoku/Leo'ole Street. These lane closures are required to safely facilitate completion of overhead canopy construction at the Ho'ae'ae (West Loch) station and are expected to continue on weekdays from 6am to 3:30pm through the month of September. Some additional weekend work and lane closures may be required.

Please observe signs and posted speed limits in construction zones. These closures are needed for the safety of our crews and the public as overhead construction continues. Mahalo for your patience, understanding, and cooperation.
