Daytime: 8:30 a.m. to 3:30 p.m., Monday to Friday

Alternating lanes of eastbound Kamehameha Highway will be closed.

Noise Impact: *During potholing, vac truck, drilling and excavation work, expect increased noise levels from the unloading of materials and general machinery sounds. Shoulder and median work signage/cones along the side of the road will mark the work area. Motorists are advised to drive with caution and provide a safe distance between their vehicles, the construction workers and equipment.*

Note: *Due to overhead crane work, traffic may be stopped intermittently due to safety for commuters and pedestrians.*
