Mike,

Attached is the Gov's letter we spoke about this morning. I appreciate your help in expediting this matter as well as the other issue with IMG. We try to help your efforts in the financial review but IMG is not good at letting us help.

Subject: Letter From Governor to FTA

Toru,

See attached. Note that Paragraph #2 states the Designation Submission will be submitted to FTA shortly. This is the document we're currently waiting for HDOT to submit (in Draft form) to the FTA Office of Safety and Security for review/comment. HDOT stated in a conference call with the FTA (04-Aug-10) that this documentation would be submitted by 13-Aug-10.

Thanks,

Kahlil
