Today will not work trying for Monday. Thx

Hi everyone,

Please let me know if you're available for a quick discussion to finalize this letter. I really would like to get Region 9's input. I know you have an LA call at 11:30PST and I was hoping that we could squeeze this in. If not, we'll try for Monday.

Attached is the latest version of the letter with edits from Joe Ossi and Chris. Anyone in HQ can come to my office, or can call in.

Thanks,
Robyn
