Hi Liz –

I had hoped to send it last Thursday, but got delayed. I intend to get it to you by tomorrow morning.

Sorry.

Faith

Hello Faith,

I hope you had a nice weekend. Last week, we discussed a table that you and others were working on for the precast yard and you indicated that you would be sending it to me soon. I have not received it. Will it be ready to send today or tomorrow?

Thanks!

Liz
