Laura,

I hope to be able to send you a revised version of the PA tomorrow morning. This version will address draft language from FTA on indirect and cumulative effects.

Thank you for your patience,

Liz

Hi Liz,

I haven't heard back from you folks since our last call, which was over a month ago. As I recall, we are waiting to receive some revised language from the City and FTA on the two points discussed during the call (post-construction burials and the *Kako'o* support), and draft language from the FTA on the mitigation/response regarding the cumulative and foreseeable impacts to the historic districts.

Do you have a timetable for when that might be presented for review?

Thanks.
