Hi all,

Here's a draft briefing paper for the Administrators meeting with the new Mayor Honolulu.

Background: It's only a ½ hour meeting, and Toru just said on the PMOC call that it's a meet and greet meeting and to assure the Administrator that it's full speed ahead despite the change in Mayor. Also, these briefing papers are supposed to be 2 pages. So I kept it at a high level and it's at 1 ½ pages now.

Obviously, we could write books on Honolulu.

Given this, please advise on:

- 1) Corrections and editorial comments
- 2) Areas that need to be expanded with more details.
- 3) Issues that need to be added

Thanks,

Ted
