Please hold this time for a pre meeting to discuss the Honolulu PA.

In preparation for this meeting, we would like to City to review proposed changes to the PA by the National Park Service and (hopefully) by the SHPO. We would like in writing by COB on Tuesday either in a separate document or via track changes on the PA whether or not the changes proposed by NPS or SHPO can be accepted by the City or whether you have other language to propose. FTA would like to be able to review and discuss these internally prior to our meeting at 3 pm.

Please let me know if you have question. Thanks!
