Good afternoon,

We would like to have another discussion on the Honolulu Programmatic Agreement to resolve remaining issues/concerns. Thank you to Elaine and Jeff for sending us comments on the Programmatic Agreement. My understanding is that the ACHP, the SHPO, and NPS had a teleconference last week to further discuss the independent contractor stipulation. The SHPO is preparing proposed PA text to review and should be sending it to this group prior to our teleconference.

Our goal of the next teleconference will be to work through these remaining issues to get to a point where we can share the revised PA with other consulting parties. Per Elaine's suggestion, I plan to be sending the consulting parties and update email today or tomorrow morning.

Thank you,

Liz Zelasko
