Subject: Gov Lingle Request for Financial Info

Hi Everyone,

We have received a letter (see attached) from Gov. Lingle requesting information on the Honolulu project's financial plan. We will work on a response and send it to you. In the meantime, there is a question about the status of a response to letters sent to Region 9 from Director of the State CEQ Katherine Kealoha on Jan 15 and Feb 18, 2010, requesting info for their review of the FEIS.

Can you let me know the status of those letters and any responses, or what was decided regarding those letters?

Thank you,
Robyn
