Subject: EXTENSION OF THE COMMENT DUE DATE FOR THE FINAL IMPACT STATEMENT...

Faith -

At the earliest opportunity, would you please post to your Web site the fact that FTA has extended the comment due date for the final environmental impact statement for the Honolulu High-Capacity Transit Corridor project by 10 days. The comment due date is now August 26, 2010. Notice of the extension of the comment due date will appear in the Federal Register on August 20, 2010 and be posted on EPA's Web site on August 19, 2010. A letter confirming this request will be forwarded without delay. Thank you. Carl
