Subject: RE: Notice of Extension of FEIS Wait Period for Honolulu Rail Project

Hi Liz –

Yes, I need a written request from FTA with Carl's signature to document why we are making the change to the website. It can be a single sentence request with the EPA letter as an attachment.

Thanks.

Faith

Faith,

To confirm, you need a written request from FTA to make the change on <http://www.honolulutransit.org/>? I have already submitted the request to extend the comment period to EPA. They will update their website on the 19th and publish a notice in the Federal Register on the 20th.

The language would be similar to what is already on the front page of the Honolulu Transit website under FEIS Availability.

If you still need a letter to make the change to the Honolulu website. I can draft a letter for Carl tomorrow.

Liz

Hi Liz –

I relayed your request to post a notice of the additional 10-day extension of the FEIS wait period on the transit website. In order for this change to be made, please provide us with a written request that this be done and whatever wording you would like us to include. This needs to be signed by someone in a position of authority to extend the wait period. Not necessarily Peter Rogoff. Thanks.
