Subject: FW: Response to DLNR and Revised PA
Attachments: PA Draft Final to FTA 7-13-10.doc; SHPD Topics of Concern Response 7-13-10.docx

Hi Liz and Ted -

Attached are 1) Draft response to the SHPO's concerns and 2) PA Draft that reflects revisions made in response to the SHPO's concerns.

In addition to revisions made in response to the SHPO's concerns, the PA draft includes changes of a legal nature that do not reflect a change in content, but proper legal usage in many references. There are also changes where "signatories, invited signatories and consulting parties" was changed to "consulting parties" as all encompassing.

The real content changes in the PA are addressed in the response to the SHPO, but are also self-explanatory in the agreement. They cover the concerns noted by Laura Thielen in her letter related to consideration of 1) inadvertent discoveries, 2) review demands on SHPD and 3) Reasonably Foreseeable Indirect and Cumulative Effects.

Please let me know if there is anything else we need to provide. Also please let me know if you make any changes before this is sent out to the larger group.

Let me know if you have any questions or would like to discuss.

We look forward to the next teleconference with the group.

Thanks!

Faith
