Dear Mr. Cox:

This letter is in response to your request for information made pursuant to Hawaii Revised Statutes Chapter (HRS) 92F, dated September 27, 2010, but received by fax on October 1, 2010, for "[a] list of all employees working with the Honolulu High Capacity Transit Corridor Project from 1/1/2010 to present. Also please provide the initial starting dates for these employees."

Your request has been interpreted as requesting a list of all City and contractual employees currently hired by the City for the project and their initial starting dates.

Your request, as interpreted, is being granted in its entirety in accordance with HRS Chapter 92F. Enclosed is a list of all City and contractual employees currently hired by the City for the project and their initial starting dates. Please note that employees listed as having an initial starting date of July 1, 2008, may have started work with the City prior to July 1, 2008, due to the way the information is stored.

Should you have any questions, please contact Paul Romaine at 768-6184.

Very truly yours,
