Hello Faith –

I received your voicemail this morning. I requested that Region 9 gets in touch with you to respond to your question. I did not have a preference from the HQ perspective.

Also, regarding the record of decision, we would appreciate the City preparing a draft. Please follow CEQ Regulations §1505.2 and look at recent examples of Region 9's RODs on our [Environmental Decision Documents](#) page. Some examples are more voluminous than others. Please tailor the ROD to the Honolulu project. It should only be around 10-15 pages at most.

Liz
