Any time. Don't hesitate to call if you have general questions or want some feedback from ACHP in drafting agreement language, etc. Glad you will consider participating in TRB. I learned a lot during my first Environmental Conference a couple of weeks ago.

Blythe,

Thank you so much for participating today and so quickly providing the examples. We will be in touch on the PA.

Also, I did get an email from one of your colleagues about the TRB Committee position. Thank you for recommending me. I do intend to apply.

Liz

Hi, Liz:

To follow up on our call this afternoon, here are two agreements that include provisions for qualified staff to coordinate reviews. In Greenbush, see stipulation XI "Project Conservator," in Knik Arm, stipulation III.A. "KABATA Liaison." See if either would be helpful as FTA considers this type of language for the Honolulu PA.

Best,
Blythe
