Subject: July PMO Meeting

To All:

Bill Tsiforas, Tim Morris and Charles Weatherly will be in Hawaii to attend the July Progress meeting on July 7th. Tim Mantych will not be attending. Both Bill and Tim M will arrive on Monday for meetings on Tuesday; Charles will not arrive until Tuesday evening.

Bill will be discussing the Configuration Management Plan with Karen. Tim M would like to go over the latest cost estimate. I also want to discuss the VE study with Tim M since he was here for the study. Charles will be discussing the updated schedule with Mark H and our new scheduler. I also want to give the PMO training with Lisa on the use of Share Point with relation to the Project Management software.

If anybody else needs to have individual meetings with any of the PMO staff while they are here, please let me know and I will make up a schedule for the meetings.
