Hi Ray/Ted,

Steve Wong and I were able to look at the latest Honolulu transit rail Final EIS and Appendix K. Our previously provided document comments were updated into the Final EIS. Thank you for letting us look at it before its published.

After the FEIS is published, we'll submit a letter to EPA asking them to publish a Federal Register notice indicating that the FAA is adopting the FTA FEIS for our NEPA purposes to address the Honolulu Airport portion of the project.

Pete
