Hello Amy and Faith –

Please keep the distribution letter mentioning the 30 day comment period more general. However, after the general statement, could remind the public that we are seeking comment on two de minimis determinations. Please still send a draft of the letter to the Region 9 office and to me.

Also, please plan on NPS having 45 days to review the current version of the Section 4(f) Chapter in the FEIS.

Thanks!

Liz
