Well, it's a little more blunt than I expected, Toru. In view of the fact that we're going to press ahead with the agreement without the SHPO's signature at this time, I think all that is necessary is an offer to negotiate in good faith outside of the agreement and process for "extras" the SHPO desires. You play it as you think best, though. Thanks. Carl

It was signed but not mailed out. You want me to stop it?

I took a look at the draft, Toru, or has it been signed and sent? If not, I need to give it a little thought; I'll get back to you first thing in the morning. Thanks. Carl
