Does anyone else from FTA want to participate? If not, please call me directly at 202-366-1733.

Hi Chris, Thank you for your offer to meet with us on Friday. Jesse and I met this afternoon to review your round 2 comments on the Section 4(f) Evaluation. Most of your comments are straightforward, however we have a few questions/clarifications on your comments related to Pearl Harbor National Historic Landmark, Potential Makalapa Navy Housing District and least overall harm.

We are available at 8 am hnl time. If that time works for you please let us know. We look forward to talking with you so we can move forward and complete this chapter.

Amy,

I'll be around, but due to another assignment, only for the first couple of hours in the work day Hawaii time (probably until around 3:45pm EST).

Some of the edits are the same as the last time around (I think they just got missed), and I tried to rewrite myself where I could.

Thank you for your quick turnaround. We will review your comments and let you know if we have any questions or need further clarification.

Chris, Are you available tomorrow if we have questions?

Here are my second round of comments. Many are just reiterating comments they missed the first time around.

Thanks,
