Antoinette -

They sent a word version as well as the PDF. It has a different filename. UltraSystems - Lindsay. Is this what you are looking for?

Hey Liz,

For the KS_Ultra systems letter (the pdf) can you ask them to send the updated word file showing the text changes and additions. The original file was a pdf so I had just attached notes to that. As you can see they sent back the pdf with written in responses to my comments, but it does not show the changes they made to the text.

Thanks

We did get more letters. At first glance I thought they were FEIS chapters. I will place these

on the S drive too.

Good morning,

Attached is the fifth set of letters. This is the last set of letters for your review. Please let us know if you have any questions or need to discuss our responses.

The following letters are included in this email:

1. 2-4 Char
2. AIA Char
3. Kamehameha School - Belsby
