We have no approved the appendix yet. We are still reviewing. Chris Slater's letter will be in the appendix of the FEIS.

Who has the decision on whether FTA is OK with the content of the appendix? Maybe we haven't OK'd the appendix as yet?

I don't know, Jim, but I also don't know that the comment hasn't been or won't be included. The NEPA implementing regulations provide that summaries of comments may be included where the response has been exceptionally voluminous (40 C.F.R. § 1503.4(b)), although I do not believe that section relates to a single voluminous comment but to the totality of comments.

Have any advice on what I should say in reply?
Thanks.

Jim:

After reviewing the Appendices of the Draft Final EIS of October 12, 2009, I was disappointed to find that our 67 pages of comments on the Draft EIS have not been included. Could you let me know why that is?
