And I'm still wrapping up the Stop Rail Now response letter, but I'll finish it before I leave today.

Unfortunately, I've not looked at the Slater letter. I don't know whether I'll finish it today or not, but it could be sent separately later.

Carl,

All the FTA comments to responses are saved on the O drive. We are finishing the last few responses now. Katie is taking a look at a couple of comments that I was unable to get to. She should be finished with them soon.
