Hi Tracy –

Thanks for getting a response from Ken regarding reviewing the Rail Transit Final EIS. We are currently not granting any requests for extending the review period. All I can say is please get your comments in as soon as possible.

Please let me know if we can facilitate your review by highlighting the changes in the document during a presentation.

We have been working with HDOT's Airports Division separately and have made the same offer.

Again, thanks for your help.

Faith

Hi Faith,

I spoke with Ken this afternoon and he is requesting a 2-week extension in reviewing the subject document. Our office received it on Thursday, May 6th and we still need to forward the EIS to various highway branches for their review.

Your assistance in this matter is greatly appreciated.

Thank you,
