I don't think we assigned it. Let me know if you want me to start it.

Hello Ted –

Good afternoon. Thank you for sending the letter to the SHPO yesterday. I wanted to check in with you regarding the email to the consulting parties. Were you going to prepare an email draft cover letter or did I say I was going to do it? I cannot remember. I wanted to check in with you before I started on it.

Thank you,

Liz

Liz, please review and comment

Nancy,

Attached is a letter from FTA to SHPO requesting concurrence with alterations to the APE and eligibility due to a refinement of the alignment of the Honolulu High Capacity Transit Corridor Project. Please review and respond as soon as possible.

FTA plans to distribute this information to the 106 consulting parties in via email (Liz-question- are we releasing this now or after SHPO concurrence?)

Please address any question to myself or Liz Zelasko at the FTA Office of Planning and Environment.
