Subject: RE: SHPD acceptance Transit Archaeological Inventory Survey Phase I

Hi Lawrence,

FTA would appreciate a submission of 2 maps or graphics. Would you please send a map titled:

Figure 1 – Alignment near proposed Mauka Terminal

The second map titled:

Figure 2 – Alignment transitioning from Aolele Street to Ualena Street.

For fig 2 your fig 1 from the April 21st document looks good. For the new fig 1, could you maintain the same colors for the alignment and show what was presented in the DEIS. I would like to have a graphic of the curve over the freeway for FTA's documentation.

Thank you,

Ray
