Subject: DISTRIBUTION OF THE FINAL IMPACT STATEMENT...

During yesterday afternoon's conference call, I advised Faith not to distribute the final statement to cooperating agencies today (Wednesday) because I wasn't sure that the memorandum would be completed and signed today and I am not sure TCC wants the final impact statement circulated before the memorandum is signed. We have an opportunity to complete and sign the memorandum today (we are very close and, with a little extra effort, I'm sure we could wrap that up today), in which case, I could advise Faith to make distribution of the final impact statement today and cooperating agencies and others would have some "additional" review time. Let's try to accomplish that task. Thanks.
