Subject: Test piers

Hi Tim,

HQs is considering whether to go to the Administrator about the 6 test piers.

We need the following information (concise, by e-mail) from the PMOC:

- Description of the activity and why needed at this time;
- Identify locations, grantee/contractor knowledge of area;
- PMOC's opinion that this is a PE item;
- Describe how the mobilization will look;
- Possible mitigations or work-arounds; and,
- Anything else that you think is relevant.

Something by tomorrow morning would be great.

Ray
