Liz, Is the memo ready for the region? We can make the final changes, esp. on the format, but we don't have your last version. Please send to Ray, me, and Nancy-Ellen.

The region will also need a TPE concurrence email from Susan and from TCC.

Thanks for all your efforts on this - we're on the home stretch now.

Renee

Susan,

Please see attached the draft memo for your edits. I just walked through with Renee some editorial changes.
