Thanks much for this and the Hawaii case law information. Are you okay with our including this draft in our administrative record, and do you know when it will be updated to final.

Subject: TRNS Honolulu Rail Transit Project Refinement of Airport Alternative

Renee,

As you requested in our phone conversation yesterday, I attached a copy of the Project's draft evaluation of the *Refinement of Airport Alternative (Aolele Street Transition to Ualena Street) presented in Draft EIS, November 2008*.

It is a draft, because the planners did not receive specific information about the airport as prepared by the FAA regarding Aolele Street impacts.

Please let me know if you have any questions regarding the attached.

(Note: I am resending this email because I did not include a subject in my previous email, and spam software usually rejects email without a subject.)

Sincerely,
