Liz, thanks for fielding this. I told Faith we would be sending this material to her shortly. As usual they want everything right away.

Hello Faith-

I got in touch with Carl Bausch regarding your request. He has the information with him but is on the road currently. He mentioned that he would send it onto you with instructions at the latest tomorrow.

Thank you,

Liz

Subject: Honolulu Rail Project

Hi Liz –

Ted Matley told me yesterday that you are the FTA-HQ point of contact for our project. He also mentioned that FTA had received FAA input that is to be included in the EIS. Would it be possible for us to get a copy of this FAA input as soon as possible?

Thank you.
