Pursuant to our conversation today and your email to Dorval, I am forwarding edits to the last version of the letter that would delete references to a determination. Perhaps this draft would strike a middle ground.

Some suggested edits for your consideration. We need to be careful to indicate that the path is open to finalizing the FEIS, but not necessarily the ROD (which, I gather, may depend in part on action by the Governor of Hawaii).

Attached is a draft letter from the Administrator to Mayor Hannemann. Inasmuch as this letter is scheduled to be signed and transmitted to the Mayor on April 22nd, please return it to me with your edits/comments as early as possible today so that I can have it processed through TCA. Many thanks. Carl
