

LETTER ON HDOT LETTERHEAD

HDOT to DTS

City and County of Honolulu
Department of Transportation Services
650 South King Street, 3rd Floor
Honolulu, HI 96813

Attention Wayne Y. Yoshioka:

The State of Hawai'i Department of Transportation, Highways Division (HDOT), has reviewed the NPDES NOI application, NGPC, and SWPPP for the Honolulu High-Capacity Transit Corridor (HHCTC) Project supplied by the City's Department of Transportation Services (DTS). Based on the information provided, HDOT approves the discharge of stormwater from the HHCTC Project construction site into the HDOT's Municipal Separate Storm Sewer System (MS4). This approval is provided with the following conditions and understandings:

1. That if the HDOT determines that any materials or substances from the HHCTC Project discharge settle into any MS4 component, the HHCTC Project shall immediately remove and clear those materials and substances to the satisfaction of HDOT.
2. That the HHCTC Project shall notify the District Engineer at least 48 hours before commencing discharge and at the conclusion of the discharge operation to arrange for necessary inspectional services at telephone number 831-6812.
3. The HHCTC Project is responsible for inspecting the construction site and ensuring compliance with NPDES requirements.

Should you have any questions concerning this matter please contact _____.
