Thanks, Chris. I have meetings all afternoon until I leave for Baltimore. Would you please have the comments forwarded to Liz so she can get the package ready for submission to TCA. Thanks again. Carl

Attached is a draft letter from the Administrator to Mayor Hannemann. Inasmuch as this letter is scheduled to be signed and transmitted to the Mayor on April 22nd, please return it to me with your edits/comments as early as possible today so that I can have it processed through TCA. Many thanks. Carl
