Sorry, I contacted them first thing after our call. We discussed trying to have a call at 12pst or 3est to allow the Honolulu office to get on.

**Importance:** High

Ray--Peter sent an e-mail to Kate Lang at FAA. He prefers that we not set up a call on the FAA/FTA procedures until he hears back from her. If you have already arranged the meeting, I'll just let Peter know. I also left you a voice mail.
