Thanks Carl.

I have reviewed the regional writeup and will be discussing a few edits today. Our plan is to have the document to you no later than tomorrow if not today. You can review and if we need to make any changes we will.

Greetings All:

With FTA's political leadership team joined by Matt's and Susan B's participation, I just completed a short phone conversation with the Administrator wherein he directed that Region IX with assistance from TPE and TCC staffs commit the requisite time and resources to expedite FTA's review and completion of all necessary documentation to accelerate the completion of the Honolulu FEIS and issuance of the ROD. I committed Region IX to this effort and I am confident that with everyone's help, we all will make this happen. Thanks!

Leslie

Susan asked me to take an initial shot at a schedule as directed by TOA-1. I am sure that something is missing but here is my shot.
