Another item to add:

The proposed alignment shift changed the Area of Potential Effect (APE). This should be shared with the SHPD. Although, the City and County's consultants have indicated that the additional buildings are not eligible for the National Register of Historic places, FTA needs to make a determination, send a letter to the SHPD and receive a letter of concurrence from the SHPD. The Programmatic Agreement was written broadly enough to accommodate changes and tweaks in the alignment. It can be amended to incorporate any new historic properties. It should still go forward for signatures.

Subject: Honolulu Schedule for FEIS and ROD

Susan asked me to take an initial shot at a schedule as directed by TOA-1. I am sure that something is missing but here is my shot.
