Hawaii 106 Update  
April 6, 2010

The Draft 106 Programmatic Agreement has been reviewed and approved by staff and management of the three signatories: Hawaii SHPO, ACHP and FTA. In addition, Honolulu DTS counsel has reviewed and approved the final draft with minor edits. The National Park Service (an invited Signatory) has been looking over the SHPO's shoulder and may weigh in demanding some final changes. The Signatories may sign at any time and distribute the PA to the consulting parties. The public still needs adequate notification prior to the PA taking effect.
